Hello everyone! Its official now, our 2005 reunion planners have found us a great location for our next reunion. It will be held in Fredericksburg, Virginia from 07-11 September 2005. The site is in a great location with on site restaurants, 24 hour bar, hospitality rooms, suites, pool, high speed internet; kids eat free, laundry facility and night life. It is also located right next to major shopping for the ladies, additional restaurants and pubs for a change of pace.

Located just a few miles from historical civil war battlefields and grand manor houses located in the old town district, you can visit the headquarters & civil war artillery sites of both the north and south. You can get a bird’s eye view of how a town lay in siege during the civil war.

Or maybe you just decide to stay around the hotel and the surrounding shops & pubs to relax.

Whatever your plans, the reunion site will be able to support it. Wayne Pilny, Dick Sasser, Bill Ramey and Neil King did a great job putting this one together.

This year will be our 26th reunion & board meeting of the Force Recon Association (FRA). We hope for as large a turn out as Arlington, Virginia in 2002. We have the capacity to support it if it does grow that big.

Centrally located between Richmond and Washington National airport, you can arrange flights into both airports and get to Fredericksburg. But please make your reservations early so as to ensure you have a spot and a room. The hotel will guarantee us 100 rooms.

The hotel reservation line is (540)786-8321. Inform them at booking of the reservation that you are with the Force Recon Association Reunion. This will get you the FRA booking rate of \$87.98 a

night. There are 8 RV parking spots at \$25 dollars a night on a first come first serve basis. All other parking is free with the hotel stay.

The cancellation policy is very direct. They are holding their facilities open for us specifically, so cancellations will result in the full amount being charged. So please make sure your plane reservations and travel plans are sound. Basically just get there and have some fun!

You will find any and all information about the hotel at the below web site:

<http://www.ichotelsgroup.com/h/d/hi/1/en/hd/frbva>

Right now the schedule is looking pretty solid. There may be a few time changes but for the most part the events are solid and planned. All appears to be in order with fun soon to be had by all.

Below is the planned time line of events. It’s also listed on the registration form for your planning.

Wayne Pilny says get there a day early and come on out and golf! He has a golf trip planned for the early birds! So if your interested contact him and at wsPilny@thirdplanet.net. His phone number is on the registration form and is (419)797-4348 if you can't find it. Call and let him know you are coming early for the golf game tickets and T-time reservation.

Well folks not much more to report on the upcoming reunion. The schedule is laid down and in place. The team of planners feel pretty confident it will be a good time for all. Dick is following up and keeping the day to day busy humming along. So far no surprises all looks good.

Please, please make those reservations.

This helps the hotel block off the rooms early so they can plan for meals and attendance. This also helps them help us with a great recommendation for the next hotel we book, by allowing us to project costs and revenue an reunion event creates for the hotel. This gets us better deals.

Of course we welcome and will always find a way to support a recon team flying last minute!

See you at the reunion!

Letter from your "PRESIDENT"

Fellow Marines and convention attendees,

I am writing this article as your current president to urge you to attend our annual convention this year in Fredericksburg, VA. We will be meeting from the 7th to the 11th of September at the Holliday Inn Select. We will be provided the opportunity to visit the FBI academy and to view static displays from the Force Recon Company. Our executive director, Dick Sasser, is working on the details as I write this and by the time you are reading it you should have received a Sit Rep with all the details and costs. I sincerely hope that your schedule will allow you to attend this year's reunion and that it is not interrupted by some unforeseen quirk of nature as happened last year in New Orleans.

It has been an interesting two years as your president and I will be passing on the gavel to the Master Guns Joe Settelen, at our banquet. I will do so with mixed feelings of both relief and regret that comes with this position. I must say I am looking forward to sitting by the pool and having an adult beverage with my friends while others worry about the future of the FRA.

Nancy and I are looking forward to seeing you at the reunion,

Patrick Teague FRA #0038
President 04/05

Letter from your "Executive Director"

FROM: Dick Sasser, Executive Director of FRA Worldwide
TO: All Members

It is that time again, that we link together those who served together. This year Reunion 2005 will be on September 7 to 11 at the Holiday Inn Select in Fredericksburg, VA. Included in this issue of the SITREP is your registration to attend. I look forward to another great FRA Reunion. If anyone has any questions please e-mail me at Sasser@starband.net or give me a call at 209-607-6961.

I would like to thank all of those members that have sent in their dues for 2005 and beyond. All future dues have been put into a restricted account per our bylaws.

I'd like to thank Master Gunny Sgt. Joe Settelen for writing an excellent Sitrep, along with all those members and current Marines that have contributed to the Sitrep. Steve Luebbert who handles our Communication Duties and questions at Recon 2000. Butch Gowey, Sam Moyer, Joe Tablada, Ed McCourt for handling the Membership Committee. The "Mack", Mack McKee, who has done an excellent job handling the Supply Hootch and adding new items to the Hootch. Wayne Pilney, Bill Ramey, and Neil King for helping with the pre-reunion plans. The FBI, MARCORSSYSCOM and 2nd Force Recon and those who donated their time to making this year's reunion events come to life.

Anyone with items for the Scholarship Auction please contact the Comm Chief, Dr. Wayne Lingenfelter, who chairs the scholarship committee, or myself.

We look forward to seeing the Ladies Group and we appreciate all their efforts in supporting the FRA.

This year we are privileged to have Col. Robert Coates as our guest speaker. Col. Coates commands DET 1 at Camp Pendleton and was a former CO at 1st Force Recon. We look forward to hearing from him.

As of June 1st the hotel has informed me that rooms are booking fast. We have a block of 100 rooms reserved so make your reservations as soon as possible.

I hope everyone has a healthy and happy summer and we look forward to seeing you in Fredericksburg, VA.

I remain,
Semper Fidelis

Letter from our LADIES

Well, 2004 was an exciting year. After going through 3 hurricanes in central Florida, "JJ", "Mac" Mckee and I, drove from Florida to New Orleans to be at the reunion. The funny part of it all was, we were going into hurricane Ivan in the process. We left in the evening, drove all night to get there, before the hurricane reached New Orleans. Because of the hurricane, a lot of members did not come and join us in all the fun. Believe it or not we still had a great time. We had a lot of together time and to meet and greet.

Cash wise we had a very successful year. Our raffle sold \$815 tickets. Our silent auction collected \$1243. Congratulations to Mary Buchholz, daughter of Charles and Dot, for receiving the Donna Johnson scholarship of \$1000. We also asked the ladies for voluntary donations (dues) to help the ladies club. We collected \$265. To keep ourselves busy, while we were stuck inside, we played bingo. With the help of the hotel staff, we had bingo cards. With the help of the members, we used M&M's for markers. They didn't last very long. I think more went into the mouth than on the cards. From bingo we collected \$90 and gave out cash prizes. This year I think we are going to continue with bingo if we have time. I will make sure we have the supplies.

The following members volunteered to be the officers for 2006-2007. They are as follows:

President: Laurie Kowalski

Vice President: Ruth Haferkamp

Secretary: Marie Howley

Treasurer: Peggy Russell

Hospitality Committee: Nancy Pilny and Patty Larsen

Thank you all for volunteering for these positions!

This year, I am asking all the women, again, to bring an item for the silent auction. It has been a huge success and a great money maker.

I want to thank all the ladies that helped me get through last years reunion. We encountered a lot of obstacles, but we came through with flying colors. I'm sure that Recon 2005 will be just as successful, if not better, than Recon 2004

Respectfully Submitted,

1. As per the current Bi-Laws a request to change such Bi-laws is initiated by the submission of request signed by 5 members of membership body not serving on the Board of Directors or Executive Committee. Last year well prior to the New Orleans reunion, members submitted a request to adjust the Bi-Laws to accurately reflect the purpose and expectations of regular members and the reconnaissance units that make up regular membership, as well as associate members and the recon and supporting units that allow joining the FRA. They also recommended that the new MC SOCOM Detachment 1 be added to the list of units authorized to join the FRA, and clarity provided as to their membership.

The new Bi-Laws were ratified and unanimously accepted. They are as follows:

As one of the editors and the primary assembler of the FRA Sit Rep on behalf of our Executive Director, I apologize for the incorrect header on the in the Jun 04 Sit Rep. While the content of the message below was 100% accurate, I referenced the award going to our 32nd Commandant in the border above the article, when in fact the award was established in honor of his father, Col James L Jones. Nominations were being requested not presented. Our 32nd Commandant Jim Jones, was not receiving the award. Sorry for the inconvenience and please keep the content for FRA Sit Reps rolling in. It's extremely hard to pull this together without membership participation and I know when you submit things, it is frustrating when they appear with a "Goof". I'll tighten up! Dick already ripped my rear end off, if you want a piece come see me at the reunion. I can handle it.

1st Force Reconnaissance Company Update

1st FORCE RECONNAISSANCE COMPANY, CAMP PENDLETON CALIFORNIA
(LtCol Smith, SgtMaj Grizzle)

The men of 1st Force are preparing for more deployments and where unable to get a Sit Rep out to us. They are forward now in OIF and have a hot mix in the rear in support of MEU (SOC). They are deep in the fight in OIF. No break in sight with deployments hot on their heels. More next time.

FRA sends God Speed and Happy hunting your way!

2nd Force Reconnaissance Company

We recently returned from OIF and had to bid farewell to our brothers in 3rd Force from Mobile Alabama. Their outstanding performance assisted the command with the many successes. 2d Plt also returned to the command from 24 MEU where they also were conducting operations in Iraq.

The command is currently preparing for deployment once again. 3rd platoon is currently forward deployed with 26 MEU, 2d platoon has chopped with 22 MEU and 1st Platoon along with a slice from the HQ is gearing up to return to OIF. 2nd platoon remains in the barn training to deploy with 24 MEU. 4th platoon is re-arming and refitting to deploy later in the year.

We have recently received our brothers from 4th Force, Reno and Honolulu respectively, to conduct training prior to deploying in-country. So with that, we welcome them and are going to be going through an intense program prior to leaving.

As of today every Marine in the command has a very busy schedule no matter what the job. It has become a "high op tempo" period with no end in sight.

We will be saying Farewell to LtCol Pete Petronzio next month and will welcome LtCol Montanus. The change of command will take place 8 July 05. FRA attendance welcome.

FragOs continue to come in and Marines continue to deploy.....

3rd Reconnaissance Battalion

WHERE THE DIVISION GOES WE'VE BEEN

From the Marines of the **Forward Shadow**

3rd Reconnaissance Battalion is currently in Iraq and has been on the ground since mid March proudly flying its colors in combat for the first time in 30 plus years. We are conducting mounted and dismounted patrolling, knock and talk, cordon and search, hasty Vehicle Check Points (VCPs), cache sweeps, IED sweeps, counter IDF missions and limited scale raids. The battalion has conducted over six missions since our arrival and due to the outstanding efforts of our Marines and Sailors in the field, many cache's have been uncovered, as well as numerous detainee's have been brought in for questioning. Our operations are believed to be having a positive impact on interdicting insurgent forces in our area.

Our thanks go out to the men of 2nd Reconnaissance Battalion. The relief in place was executed without a hitch and the Marines and Sailors did everything in their power to ensure we were prepared to assume the mission. Perhaps the most important part of our RIP was the individual Marine to Marine and Sailor to Sailor interaction, especially during the Team Leader and Team roundtable events. Best wishes and warmest regards go out to these fine men, for all that they have done.

Presently the battalion consists of 3 companies, Headquarters and Service company, Alpha company and Echo company from 4th Reconnaissance Battalion out of San Antonio. The Marines and Sailors of the battalion remain focused on competence, readiness and commitment. These three pillars alone lead to the overall professionalism that we strive for daily.

Wall of Honor and Final Taps

On 4 April 2005 while conducting combat operations against enemy forces in the Al Anbar province the following Marines made the ultimate sacrifice for corps and country.

Sgt Del Rio	WIA
LCpl Kinchen	KIA
LCpl Barkley	WIA

These Marines we shall always honor, as we honor the Marines that have went before us. Semper Fidelis.

The Marine Corps force contribution unit "Detachment One", which is a CMC proof of concept designed from a Special Purpose MAGTF consisting of a small Hqtrs, (4) Force Recon Teams, (1) Radio Recon Team, (1) CI HET Team, (1) Fire Support Coordination Cell, EOD and an Intel Fusion Cell awaits its permanent existence to be confirmed by CMC and SOCOM.

While the unit performed its work-up mission training plan (MTP) with the highest degree expertise, which led to an extremely high combat efficiency report in Iraq, it seems the leadership of both services can't decide what's next.

Both the current Commandant, Gen Hagee and Commander USSOCOM, Gen Brown have been in a serious of meetings with the Secretary of Defense about a permanent force contribution. But to date, no public announcements have been made as to the size and shape of this permanent force contribution. Rumor has it SecDef demands a component sized Hqtrs and war fighting unit to be established within SOCOM. Something SOCOM Action Officers have distained since the ground breaking agreement Gen Holland and Gen Jones shook hands on to begin a force contribution concept.

The original plans submitted to the founder of the project, then 32nd Commandant Jones, outlined a concept for the Corps to grow and support 3 Detachment sized units built over 4 years. Each Det would grow to the battle tested lessons learned size of 137 men. This increase added 2 machine gun sections of grunts and additional infantry for a security element, as well as EOD, NBC and additional men for forward and rear for split operations scenarios. It was planned in the early days of this project, that as the third Det was built, a component Hqtrs capable of JSOTF level forward operations and continued training of the Det's rear elements would be manned and staffed. Then the Dets would be able to rotate into the SOCOM forward deployed areas and run a CJSOTF in the same manner as other SOCOM units operating in a JSOA. This provided the break or relief to SOCOM operations tempo Gen Holland was looking for.

Budgetary plans within the Corps were also drafted and submitted for POM-06 recommending an aviation component of 4 Cobras, 4 of the new Hueys and 2-3 MV-22s to be added in the future of the Detachment. No news if that action ever made it out of the Corp's think tank and into the budget process. But this aviation component would include aircraft maintainers and Marine pilots to handle the aircraft in the dirt, along side the Detachment Marines. All would be trained in the raider model studied, revived and implemented by Col Robert Coates, CO and LtCol Craig Kozenski the former XO. The size of this aviation element was reported to be about 135 men.

This model would provide SOCOM a self contained force capable of inner theater lift in the form of a very well designed small MAGTF. One that would bring extensive validity to the Special Purpose MAGTF term in the joint publication, with only a small number of men topping out at 280 bodies with aviation. Not a bad concept for the Marine Corps to execute in support of a sustained long term vision on the GWOT. This concept over time would still allow the Corps to have Force Reconnaissance men on the MEUs, and some available to the MEF Commander for battlespace shaping operations. It also maintained the rapid response MEU(SOC) missions standard within the MSPF on ships. Reconnaissance Battalion Marines are already growing, to increase the numbers of recon Marines available to feed Force Recon as the men reenlist and become careerist in the 0321 Primary MOS. Recently added structure to the Recon Bn and Force Recon Companies would ensure that as both send a Platoon out on MEU(SOC)s; they could continue to support the MEF and Marine Divisions in the same superior manner they are doing in OIF. This way the Regimental Combat Teams are not blind and have the extensive eyes and ears they need out further than their STA and sniper capability.

A lot of thought went into the growth into the Corps venture into Special Operations with SOCOM. Commandant Jones was keenly aware of the growth patterns and time lines to build highly

effective force recon level Marines. Under a new promotion system that is faster than the days of old, this can be a challenge. With that in mind, he authorized the grade levels of the Detachment Marines to be upped by one above a Force Recon Company and grade shaped into the overall force structure model of the Marine Corps. MOSs participating in the Det model all grew upward. This grew experience over time, in many highly effective MOSs that find, fix and finish the enemy in small cohesive SOF like units. All these MOSs are combined in the det model to better shape the Corps at every level of operation by adding in the right growth to these select MOSs over time. This raises the bar for all recon, anglico, signals intel and fusion Marines from entry to exit of the Corps. By adding the next tier of expertise to MAGTF operations, the Corps could maintain its current MAGTF primacy and grow MAGTF warfare into SOF operations. It also would provide a natural loop of senior Marines rotating back to the Marine Corps after 4-5 years with a high level of advanced force operations experience. This would better shape techniques, tactics and procedures learned within SOCOM AFO operations to better the Corp's ability to fight along side SOCOM in rollover and joint operations.

Search on the web and in a few chat rooms revealed the Corps mutating the Detachments into a MSPF like MEU(SOC) package. That could not be confirmed by anyone with inside knowledge but if this were a course of action it would reflect the age old thought that all Marines are elite. Marines are by far the worlds premier fighting force, that there is no doubt; but dealings with SOCOM requires a higher maturity model and with 1/3 of the Corps Infantry leaving the ranks every year and being replaced by fresh bodies from recruitment, the experience is not there for clandestine and covert type operations that are typically run in SOCOM. Keep watch, time will tell which road the Corps travels.

TAPs and Remembrance

This article is not on the last page because it is of little interest or importance. It is last so as you read and close your FRA Sit Rep you stop and reflect on our losses and say a prayer for those members and the families of our members whose loved ones have passed on.

We have lost several members over the last few months. It is with great sadness that we list them. They all gave more than was expected for God, Country and Corps. Please remember them as you close your Sit Rep.

Back Page Info "Sit Rep Help Needed!"

As many of you know we are on our 3rd year with the new "Sit Rep" look. It's a slight challenge to get these issues out during the year, but it has gotten easier now. The war has every recon unit and recon position extremely busy with the Global War on Terror. I'm seeking an assistant to take over the "Sit Rep" assembly as I move up this year to become your "President". However, I promise to stay involved with the "Sit Rep" assembly and not let anyone learn from hard knocks as I did. I will remain connected to the Recon Units to solicit their unit "Sit Reps" and make that easy on who ever steps up so you are getting the material.

So PLEASE, PLEASE can someone step forward to help with the assembly of the FRA

Sit Rep starting in Oct 2005?

As you know the "Sit Rep" is Web based and the template is in MS WORD newsletter format. It is put together with Microsoft Word and easy to handle. Your "Executive Director" Dick Sasser, has the task of building and approving the release, but Dick is not a computer savvy guy. So I try to help him out, and who ever takes this over will have some back up from Dick and I when you take over this responsibility.

This news letter is your voice and any and all have input to the content. Your input is truly welcome. If you cannot download from the web, we will mail you a printed version. Just contact your Executive Director and

he will ensure you are on a limited mailing distribution.

I ask that all interested in writing articles keep them coming. Send them MS WORD or in a simple email. We can then use the text to cut and paste into this template for posting on the web. Pictures in digital format, historical articles, past experiences, unit updates and lessons learned are welcome.

We promise that we will not change a word of the text. As editor/assembler I will however, format it to fit into the columns and if I catch a spelling error I'll correct it.

For submissions of a helping hand in putting the Sit Rep together, I can be reached at
