PRESIDENT'S MESSAGE – October: 2019

As we approach the 244th Birthday of our beloved Marine Corps, I want to extend a hearty Happy Birthday to all of our Marine Brothers and Sisters, as well as our Navy Corpsmen (who are the very reason some of us are still here to celebrate this day). I hope each of you will have the opportunity to celebrate our Birthday with your fellow Marines, Corpsmen and families.

This year has produced a couple of 'firsts' for our organization. As many of you know, we had a great reunion planned for Camp Lejeune in September, and our host unit, 2nd Recon Bn was ready to host a full day experience for all attendees. Regrettably, the weather intervened compliments of Hurricane Dorian, and due to safety considerations, all base activities had to be cancelled for the week we had planned. Team Jarvis (Dave and Tina) who invested 6+ months of planning and negotiations for the event were on site and fully ready to launch Reunion 2019, but it was not to be. I believe the lesson learned was to plan our reunions on the East Coast earlier in the year and hopefully avoid bad weather. I am extremely grateful to Dave and Tina, as well as the command staff and SNCO's from 2nd Recon Bn who planned our activities, and the handful of members and their families who braved the storm and showed up anyway. I affectionately nicknamed the members who showed up, the "Dorian Diehards"!

Another 'first' directly affecting our charities involved our fundraising efforts to support the Baker Recon Challenge and our sister charity, the Force Reconnaissance Foundation (501c3). We hosted several events, held auctions, sold t-shirts and challenge coins, and when the mission was accomplished, all the bills paid, and Mount Baker conquered by members of Bravo Co, 1st Recon Bn (circa 2010) we had raised enough money to cover all mission expenses and still contribute almost \$40,000 to the Force Recon Foundation! Thank you to all the members, family, friends and organizations whose donations and support contributed to our success!

Finally, we successfully launched an online payment option for our members via PayPal that has proved to be a very popular option for many of our members. Approximately 40% of our dues payments for this year were made using the PayPal option. Thanks again to our CommChief, Steve Luebbert, for making this happen!

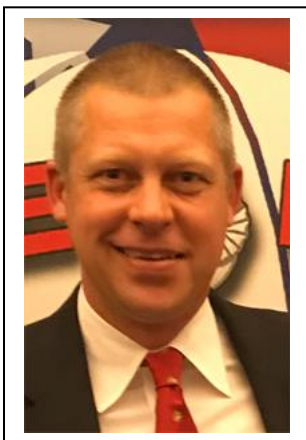

Finally, we convey our continued gratitude and a special "welcome home" to all of our Reconnaissance Marines, MARSOC Marines and Corpsmen returning from deployments overseas. To our Brothers and Sisters still engaged in the fight,

we offer our prayers and best wishes for your safe return to your families and loved ones.

Please let us know if you have moved, changed email addresses, got a new telephone number etc. We try very hard to maintain good contact information on all of our members, but if you fail to let us know of a change in your HQ, we have no way of finding you! You can email any new information to Commchief@forcerecon.com, or to alsniadecki@netzero.net, or to jarvisda77@gmail.com. We will see to it that your new contact information gets into our database. Also, you can fill out the "OPERATION DATA CLEANUP" sheet included in this newsletter and mail it in.

Please remember that without your support and participation, there would not be a Force Recon Association. Semper Fidelis!

Al Sniadecki
President

A Message from your Executive Director

Good day Members, Family and Friends of the Force Recon Association! This past year was busy for our Association and our Foundation. We held two fundraisers that took place in Las Vegas, Nevada and Dallas, Texas; these events supported our Foundation and the Mt. Baker Recon Challenge Team. A huge thanks to Al Sniadecki and Jim McGaughey for spearheading these events, also to John Greenway who helped us with the formalities of fundraising. We thank all the supporters who assisted in raising nearly \$40k for our charity funds! Congratulations to the Baker Recon Challenge Team for executing the five-day

climb to the top of Mt. Baker and completing the mission! A preview of the story can be found at: <https://youtube/Q6wQbB2IT00>

As Al Sniadecki stated in his report, we faced an unpredictable hurricane path that affected our 2019 FRA Reunion in September at Camp Lejeune, North Carolina. Hurricane Dorian caused most of the base support establishments to close down at the last minute resulting in most of our planned activities being cancelled. Nevertheless, we made the most of it with 30, or so, members and their spouses that were able to join us. Spending time in the hospitality suite and sharing experiences going back to the Korean War was truly a memorable time! Another positive outcome of our abbreviated reunion was that we were able to pull off our annual auction and raised over \$5,500 for our charities! Pictures of the 2019 FRA Reunion can be found on our website: www.forcerecon.com

We will kick off our 2020 activities by attending the Annual SHOT Show in Las Vegas. As many of you know, we receive the majority of our auction items from this event. This is also a great time to say thanks to our loyal sponsors and supporters.

Also, the planning and preparation for our 2020 FRA Reunion has begun! **Mark your calendars**, as our reunion dates are already set for April 29th through May 2, 2020, in San Diego, California (see attachment for reunion schedule). Those of you who attended our 2018 FRA Reunion, know that it was a real treat to

see our active duty and reserve Reconnaissance Marines compete in the annual Recon Challenge. This year, the 12th Annual Recon Challenge will take place aboard Camp Pendleton, California on April 30, 2020. The two-man Recon Teams will maneuver throughout a 25 mile course carrying a 50lb ruck, and banner/dog tags representing our Fallen. Additionally, Chris May (MGySgt, Ret), AKA 'Brother Recon', will be unveiling the Fallen Warrior Memorial (Bronze Statue) during the awards ceremony at Reconnaissance Training Company to Honor ALL of our Fallen Brothers. For over six years, Chris has been diligently fundraising to support this Memorial and we look forward to celebrating its unveiling (see attachment, Brother Recon FWM). If you are in the area, please stop by to support this great event! More information can be found at: trngcmd.marines.mil

The Holiday Inn Bayside San Diego has provided the below information, so you can make your hotel reservations now: Our event is scheduled from April 29, 2020 to May 3, 2020. I have added several SitRep links from our Active/Reserve units and from Reconnaissance Training Company. As you can see by viewing these, the Men are continuously engaged with high risk training and ready to execute their mission when called upon.

Lastly, I would like to acknowledge our **2019 Active/Reserve Team Leaders of the Year:**

Brother Recon Fallen Warrior Memorial

Brother Recon has been engaged in creating a Fallen Warrior Memorial for the last 6 years and we are now in the final stage and able to complete this endeavor. We are now raising funds for the final casting that will be unveiled at the 2020 Annual Recon Challenge at Camp Pendleton CA.

After the death of SSgt Caleb Medley in a parachuting accident in Perris California in 2013, I found myself struggling to deal with the loss of one of my Marines at home. The issue unlike overseas, is the fact that it happened in our own back yard here at home and I could not leave this event behind like I had done for years overseas. My coping mechanism for this event became the creation of Brother Recon.

Over the last 6 years we have supported the

Reconnaissance community, placed a memorial at Sky Dive Perris of SSgt Medley and continually supported the Annual Recon Challenge with funds raised from the sale of our products but our biggest initiative grew to become the Fallen Warrior Memorial that will be placed at the Reconnaissance Training Center at Camp Pendleton Ca.

This initiative has become a part of my life and I promised Caleb's mother that I would complete this memorial no matter what. Brother Recon has no staff, partners, or employees it's just me and my wife Kathy. We have spent the last 6 years building our product line and investing everything we make back into the business or the Reconnaissance Community and we are finally at the point to bring this memorial to life, but we need everyone's help. The sculpture is currently in the molding and digitization process and will be ready for the final production soon. We are asking that everyone help share this message with friends, family, and Contacts and donate if you can.

The memorial is a 7-foot bronze sculpture casted after SSgt Caleb Medley with the help of Mark Rawson, one of Caleb's best friends.

This Memorial will represent all our fallen Reconnaissance Marines and SARC Corpsman that have given their lives for this great nation and the Reconnaissance Community.

So far this year we have raised \$26,400 of the \$45,000 required to finish the project.

We have sent John Phelps the artist that has been working with us since the beginning \$46,205 to date. We have another \$3,195 in the fund giving us a total of \$49,400.

Below is the link to my fundraiser and contact information for John Phelps.
